# Celebration of Cal Poly Engineering Senior Projects Set for May 31

SAN LUIS OBISPO – Cal Poly's College of Engineering will host the first all-college Senior Project Exhibition from 4 to 7 p.m. Thursday, May 31. The event will feature more than 200 individual and team projects, including poster displays and prototype devices.

The projects will be on display in the Bonderson Projects Center (Building 197), the Advanced Technology Lab (Building 7), Engineering IV (Building 192) and the Engineering Plaza between the buildings.

"This showcase of engineering talent offers a wonderful opportunity to interact with soon-to-be Cal Poly graduates and glimpse some of the inventions and visions of tomorrow," said Dennis Derickson, electrical engineering chair and organizer of the event.

For more information, call 805-756-2781 or email [ee-office-staff@calpoly.edu](mailto:ee-office-staff@calpoly.edu).
